ABOUT DEBUT ATLANTIC

Debut Atlantic is a Classical Music touring network on the east coast of Canada which curates an annual season of five emerging, high-caliber, Canadian classical music artists. These artists are made available to presenters throughout the Atlantic region (Nova Scotia, PEI, New Brunswick, and Newfoundland & Labrador) for concerts and educational and community outreach over a 2-week period. Founded in 1979, Debut has had continuous seasons for more than 40 years. Debut alumni artists include a who's who of Canadian Classical artists including Wendy Nielsen, James Ehnes, Jan Lisiecki, and Rolston String Quartet as well as global music artists such as Constantinople, Ladam Ensemble, among many others.
